Gitchoff Youth Remains In Serious Condition

Paul Gitchoff, son of Mr. and Mrs. James P. Gitchoff of 2648 Benton street, remains in serious condition today at the University Medical Center, Columbia, Mo., where he is hospitalized as the result of injuries sustained in a one-car accident early Sunday morning near Fayette, Mo., where he attends Central Methodist College.

Doctors listed his condition as "somewhat improved" yesterday. Young Gitchoff was a passenger in an auto operated by Robert A. Ryle of Higbee, Mo., which struck a bridge abutment. Ryle, 22, was fatally injured.

American Steel To Run Four Days Next Week

American Steel Foundries plant here will operate four days next week, it was learned today from a spokesman for the firm. Production will be carried out Monday through Thursday.

The plant reopened last Tuesday for a four-day operation this week. The shorter work week is due to a shortage of orders for railroad equipment.

B. E. Hohl Much Improved After Setback

Friends of B. E. Hohl, local Ford dealer and former president of the Tri-Cities Chamber of Commerce, will be glad to learn that he is recuperating nicely following a setback after triple major surgery three weeks ago at St. Mary's Hospital, Clayton, Mo.

A coughing spell tore loose stitches from the gall bladder operation and delayed normal recovery, but the damage was quickly repaired and he may be released from the hospital within a week.

Dunbar PTA Halloween Festival Friday Night
The Dunbar PTA of Madison will hold its annual Halloween festival tomorrow at 7 p. m. in the school gymnasium. This year's event will include a pie-eating contest and a game called "Limbo."

There will be other games for all age groups, refreshments and dancing for teenagers.

RR Employees Seeking Anti-Merger Support

Area railroad workers employed by the Nickel Plate, New York Central and Wabash railroads met this morning at the Madison Memorial Center in an attempt to gain support from city officials and civic groups for a resolution opposing the proposed merger of three major railroads.

Arnold McClure, of 1800 Market street, Madison, chairman of the group which is known as the Anti-Merger Railway Employees United, said the proposed merger, now before the Interstate Commerce Commission, would jeopardize the jobs of 1100 railway employees in the area, including 300 employed by the Nickel Plate line, and would have a bad effect on the area's economic condition.

Congressman Melvin Price (Dem., East St. Louis), was in attendance at this morning's meeting, which was "to acquaint those present with the purpose of our resolution," McClure told the Press-Record.

A poor man's friends won't help him — and a rich man's friends want to help themselves.

Blood Donors Needed

Mrs. Lucille Goforth, 1329 Meridian street, Madison, is in serious condition at Barnes Hospital St. Louis, with complications following surgery. She has been hospitalized five months with a rare blood condition, and blood donors are needed. Donors who need transportation are asked to call Mrs. Marie Szymczek, 204 Fourteenth street, at Triangle 7-3705.

Venice Lions Aid UF, Halloween Program

The Venice Lions club held a dinner meeting Monday evening at the American Legion Post 307 home, with 34 members present. During a business meeting conducted by President Henry McMullen, a donation of \$25 was made to the United Fund.

The club will assist the Venice community.

Burnham Sets Course Mark; Tigers Take Triangular

A muddy track failed to slow Edwardsville high school's George Burnham in a triangular cross-country meet hosted by Granite City's Warriors Tuesday afternoon in Wilson Park.

Burnham set a new record over the mile and 9/10 course, taking first place in 9:56, and the Tigers captured first place with 39 points in the varsity competition. Belleville was second with 52 points and Granite City third with 72.

In a jayvee run over the same layout, Belleville was first with 39 points, Granite City second with 49 and Edwardsville third with 70.

Granite City runners who placed in the varsity competition were Larry Tolbert, 11th; Larry Whitsett, 13th; Allen Kernerly, 15th; Don Sharp, 16th; Pat Harris, 17th; Tom Moore, 19th; Pat Kincaid, 20th; Tom Vasileff, 22nd; Charles Papp, 23rd; Skip McMillan, 25th and George Brink, 26th.

Sternberg Second
George Sternberg of Granite City finished second in the junior varsity run, behind Bob Woodward of Edwardsville, who ran the course in 11:10.

Ken Ferro was ninth, Carl Yates, 11th, Paul Lapinski, 13th, Dan Horsley, 14th, Mike Laster, 15th, Bill Sternberg, 20th, Larry Reader, 21st, Bob Troha, 27th, Barry Sykes, 28th and Dan Ferguson, 31st.

Granite City will enter the IHSA district cross-country meet to be held at 10 a. m. Saturday in Edwardsville.

Rolloffs For BPAA

All-Star Tourney Sunday At Bowland

Eight finalists who survived 21 games of preliminary action will meet in 16-game finals of the National BPAA all-star eliminations tournament Sunday at Bowland lanes here.

An afternoon session of eight games will get underway at 1 o'clock, with the night session to start at 7 o'clock.

The finalists are Granite City's Max Legate, Larry Meehan of Belleville, Bobby Graham of Wood River, Virgil Schramm of East St. Louis, Gene Komper of East St. Louis, Jake Marti of Edwardsville, Ken Ballard of Alton and Mike Pepper of Touzette of Granite City.

Each will roll two games against each of the seven other qualifiers, and one position round where the high bowler in total meets the second high bowler, the third high roller meets the fourth place point major, etc.

The Peterson point system will be used, whereby a bowler is awarded one point for every game won and one point for each 50 pins knocked down.

The individual winner under this system will represent the Southern Illinois Bowling Proprietors Association in an all-star tourney at Miami Beach, Fla., next January.

Customizing features include a reworked grille, shaving of hood and rear deck, lowering four inches in front and three in the rear, and "frenched" and hooded headlights and tail lights. The interior features rolled and pleated upholstery, a record player, telephone and miniature bar.

Touch Football League Leaders

Clash Saturday

The only two undefeated and untied teams in the Junior division of the Granite City park district's boys' touch football program will clash in Wilson Park Saturday morning to determine a league leader, at least temporarily.

Blast Furnace and the Lions, both 5-0, will meet at 9:50 a.m. near the junction of State street and Fehling road, highlighting a seven-game card for teams in the Junior and Midget divisions.

Top game in the Midget division for younger boys will be between the first-place Twilight Optimist Rams and the Falcons, who are in second place.

Saturday's schedule:

JUNIOR DIVISION

9:00—Falcons vs. Lincoln

9:30—Blast Furnace vs. Lions

10:40—Eagles vs. Colts

11:30—Nanooki Browns vs. Steelers

MHS Jayvees Bow To Roxana, 19-0

Madison's jayvee gridders lost Tuesday night at Roxana. The defeat left Coach Bob Page's team with an 0-7-1 record with one game remaining—tomorrow when it hosts the Highland junior varsity squad at 4 p.m.

Tuesday's game started an hour late. When Page and his players arrived at the field about 6:30, they found out that Roxana's varsity football coach had the keys to the dressing room at his home; he returned at 6:50. After dressing for the 7 o'clock game, the Little Green had to practice in the dark—the field lights would not go on. A utility company restored power in time for the contest to begin at 8 p.m.

Roxana led 6-0 at the half. Page singled out Quarterback Hayes Wright and Ends Robert Mosley and David Andrews for their offensive play. He praised Guard Ralph Ives for his defense.

Madison's deepest foray into Roxana territory was to the 20-yard line. The Shell jayvees scored all three touchdowns on end runs.

In SIBPA Saturday

Bowland Schlitz will seek to climb above the .500 mark against Cahokia Bowl Saturday as the Southern Illinois Bowling Proprietors Association Classic league moves to East Alton's Bowl Inn lanes for a p.m. session.

Schlitz, following last week's position round, stands at 12-13 for the season. Cahokia Bowl is 10-14 and in sixth position. Other matches pair first-place Alton Bowl Haven's Falstaffs (16-8) with seventh-place Loman's Bowlers Shop (9-15); runner-up Fairmont Bowl of Collinsville (14-10) with Ripley Bowling Pins (12-11) and 3rd City Bowl, also 12-11, with Busch Bavarian (9-15).

The Saturday session will begin two hours later than usual.

Claude Recovering Nicely; Nears 75% Correct Pick Level

Regaining the plateau of respectability (74.2% correct) last week, Claude the Computer scientifically selected the winners in seven of nine area games to raise the season's total to 49 right in 66 tries.

Still looking to gain and hold the 75% correct level, one of the stipulations for the renewal of his contract next fall, the electronic brain faces a tough week-end indeed.

Witness the East St. Louis Assumption clash at Parsons field and the Alton-Belleville encounter, for example. There were a few more rumblings than usual down in Claude's innards before he speeded forth predictions which see the Flyers and Redbirds as winners.

See Locals Winning

Happily — for local fans — Granite City and Madison will also score victories tomorrow night.

Although unable to come up with another perfect prediction weekend as he did recently, Claude did come extremely close to exact final scores and point spreads in five games last week.

Madison beat Roxana 13-0, and Claude saw it in advance as 20-7. Cahokia's 14-0 win over Dupo compared to Claude's 13-0 forecast. Belleville edged Cathedral 25-20, after Claude said the final would read 25-13. The computer predicted that Alton would down Edwardsville 38-7, and the final in that one was 31-13. And Claude was one point off in the spread concerning the Assumption-Collinsville contest. He saw it 27-0, and the final came up 34-6.

The weekend forecasts:

FRIDAY

Granite City 20, Edwardsville 12

Madison 30, Highland 6

Dupo 12, Belhato 0

Alton 20, Belleville 14

Wood River 15, Collinsville 7

Cahokia 6, Roxana 0

East St. Louis 26, Assumption 30

John Mazzola Rolls 300 In Classic Loop

A veritable bushel basket full of awards went to John Mazzola, 18, last night when he turned in a perfect 300 game while rolling in the Quad-City Classic league, top scratch loop in the local area, at Bowland lanes.

There had been signs and portents that Mazzola, who resides at 604 Acornhead, Collinsville, was capable of rolling a perfect game, his first in sanctioned play with the Ray Rixman team.

Two weeks ago, he rolled a 716 series in the Classic league, a total which included a 277 high game. His average in the league is 187, and he has bowled in league competition for three years.

The perfect game was the first rolled at Bowland this season and the first ever in the Classic league. Mazzola mixed a 203 game in his series to again take high honors with 665 pins last night.

Awards presented to the young league will include a \$300 check from Bowland Manager Jack Jachino, \$300 in cash from the ABC "300" medal valued at \$100, a ring from the Greater St. Louis Bowling Association valued at \$50, a \$100 watch from a bowling supply firm and a bowling bag and shoes from another supply company.

Parker Named Coach Of Cleveland Indians

A Granite City native, Salty Parker, third base coach with the San Francisco Giants in the National league for the past four seasons, was appointed to a similar position with the Cleveland Indians of the American league yesterday by Indians Manager Mel McGaha.

The appointment for the 1962 season, renews the association of Parker and McGaha, who were rival managers in the Texas league in the early 1950s.

MAGIC NUMBER for all bowlers was realized last night at Bowland lanes by John Mazzola, 18, Collinsville, who fired a perfect game while rolling in the Quad-City Classic scratch league.

To Discuss Formation Of Sports Car Club

Quad-City sports car owners are being invited to attend a meeting at 2 p.m. Sunday, Nov. 5, at the Jolly Mill tavern, 12th street and Grand avenue, Madison, to discuss formation of a local sports car club.

Pete Peterson, spokesman for a group arranging the meeting, said local residents owning any type of foreign or domestic sports car will be welcome to attend the gathering. It is hoped to form a club made up strictly of local area residents. The club would sponsor time trials, rallies and other events here, Peterson said.

Business Meeting Of PTA Unit At Nameoki School

A motion picture and business session highlighted a monthly meeting of the Nameoki PTA Tuesday evening at the school, with Don Kopp, president, in charge of the meeting.

The PTA prayer was read by Fred Rehagen, and the pledge of allegiance was led by Girl Scout Troop 134, under the direction of Mrs. Jean Lybarger. Group singing was enjoyed.

Harold Brown, director of the park district recreation program, presented a trophy to Russell Robbins, principal, for the school's participation in the square dance program last year.

Rehagen reported on a letter the board had received giving special admission rates to the Washington theatre and other theatres for school children 15 years of age or older.

He also read a letter from Dr. Leo Coleman of the Granite City Civic League inviting the members to a dinner meeting Nov. 2 at the YMCA. Speakers will be Rev. R. Henle, professor of philosophy and director of the Institute on Communism and Freedom, St. Louis University, and Dr. Arminda Ignacia Castellanos, L.L.B., a former member of the Batista government of Cuba.

They will speak on "How It Happened in Cuba," "Our Civil Infiltration" and "How Our School System Can Prevent It."

Cost of the dinner will be \$1.50. Room mothers are to meet at the school at 1 p.m. Oct. 31 for the Halloween party, and Mrs. Sue Champion announced that ribbons will be offered for sale at the next meeting.

Rehagen presented awards to students selling the highest number of tickets for a recent PTA fish fry. Those winning were Philip Lamm, Billy Cavan, Ronnie Hopper, Gayla Manning, Linda Lybarger, Karen Gauen, Erma Kraft, Debby Lewis and Valerie Sladyk.

The evening's program consisted of a film, "Our Child Intelligence," shown by Kopp, who conducted a question-and-answer period after the film.

The fifth grade room of Gene Monahan was awarded a prize for having the highest percentage of parents at the meeting, and Kopp announced that the board meeting for November will be held Oct. 31 at 7 p.m. at the regular PTA meeting will be on Nov. 8, in conjunction with National Education Week. Open House will be held, with Dr. Harold M. Kaiser, superintendent of schools, as guest speaker.

After the meeting, refreshments were served by the fifth grade room mothers.

Thru Martin Luther, God returned to the Christian Church and to the World,

1) The promise of heaven without the fiction of purgatory;
2) The privilege of approaching God's Throne of Grace without the intercession of saints;
3) The administration of the wine to all communicants, as well as the bread, in the Sacrament of Holy Communion;
4) The proper observance of holy matrimony;
5) The assurance of salvation through Jesus Christ and His Cross by justification through faith in our Redeemer.
6) The Open Bible;
7) The Right of Private Judgment;
8) Many civic and religious liberties;
9) A great encouragement to Christian and universal education...
10) The universal priesthood of ALL believers...

77 On First Honor Roll A Madison High School

Seventy-seven Madison senior high school students are listed on the school's honor roll for the first six-week grade period, according to Principal John Palchett.

Scholastic honor roll listing is contingent on the maintenance of at least a "B" grade average for the grading period. The freshman class at MHS had the largest number on the first announced honor roll for the 1961-62 school year—24 students.

Listed by classes and in the order of their ranking among honor students in the class, the students are:

Seniors — Ervin Mueller, Kathy Begeeff, Sheila Nicholas, Mae Ella Barrett, Sandra Consiglio, Paul Czervinski, Connie Gadwell, Anita Patterson, Joan Williams, Delbert Clemens, Lawrence Davis, Joanne Maykowitz, Kathy Smith, Cheryl Dion, Charles Kosok, Faith Nizinski, and Roy Platt.

Juniors — Larry Lux, Donna Dowhitt, Gary Kaspriske, Diana Fox, Penny Maeras, Cheryl Slaby, Tina Signaigo, Jim Armoar, Terry Curry, Henry Goghuz, Olga Kosowski, Jackie Mosley, Joyce Parsley, Ralph

Rideout, Bernie Sabol and Stephanie Stawar.

Sophomores — Bill Kalchoff, Phil Fraundorf, Sharon Vavra, Cynthia Zahn, Susan Devill, Kathy Foley, Mary Bergrath, Susan Mueller, Margaret Champeon, Phyllis Kutey, Mary Lee Swiza, Geraldine Bowlic, Veronica Bosworth, Mary Anne Bucher, Karen Hamilton, Pat Kelly, Judy Purdes, Gary Skinner, Mary Lou Sears and Janet Thomas.

Freshmen — Thomas Miller, Bonita Holland, Nancy Jackson, Linda Krpan, Margaret Bates, Dorothy Donoff, Vicki Eliason, Linda Gall, Karen Kosok, Casimir Krakowiecki, Jack Miller, Sandra Morgan, Richard Vest, Gail Stagner, Patricia Barham, Sharon Button, Marian Hadlock, Jessie Harris, Rich Hoffman, Gary Honekamp, Thomas Krinski, Judy Lusk, John Nishke and Harold Pinkley.

3 Accidents Occur During Monday Rain

Three automobile accidents occurred within an hour in Granite City during Monday afternoon's downpour.

Involved in an accident at 3:10 in the 2200 block of Delmar avenue were Ruben P. Bean, 38, of 1510 East 23rd street, and Mrs. Maria Baker, 34, of 2900 Sunset drive, who was charged with failing to yield the right of way. She posted her driver's license as bond.

Police said Mrs. Baker was backing out of a driveway when she collided with the left side of the southbound Bean car. Jessica Bean, 51, of 1510 East 23rd street, a passenger, complained of injury; the report shows.

A half hour later at St. Clair and Myrtle avenues, officers reported that Lucille E. Graham, 33, of 3220 Rodger avenue, traveling south on Myrtle in the rain was involved in an accident with an eastbound car driven by Carter E. Knipping, 17, of 1612 Primrose avenue.

The third accident at 4:10 involving three northbound cars on Madison avenue, happened at the 27th street stop light. Police said the vehicles were stopping for the red light when an auto driven by Steve Gallauer, 45, of 2206 East 20th street, skidded on the wet pavement into the rear of a car driven by Helen Allen, 45, of 4103 Breckenridge

Briggs Makes Futile Trip To Springfield

Namieski Township Supervisor Harry Briggs, chairman of the county board's legislation committee, made a futile trip to Springfield Tuesday.

Briggs said he was to have appeared before a scheduled meeting of the Senate revenue committee but the meeting was cancelled without notice. He had hoped to foster favorable action by the Senate group on temporary tax rate relief for Madison county and 11 other counties. The House revenue committee voted 22-15 last week against recommending passage of the measure.

A recent ruling by the state Supreme court cut the tax rates in half for the 12 counties.

State Outlines Sales Tax Rules For Charitable Groups

The Illinois Department of Revenue has re-evaluated its stand in connection with the collection of Retailers' Occupation Tax on sales at rummage sales, bake sales and dinners sponsored by religious, charitable and educational groups. Theodore J. Isaacs, director of revenue, said today.

It was the apparent intent of the General Assembly to limit the unfair tax advantage of exempt organizations when selling merchandise that could also be purchased at commercial outlets, Isaacs said. In these cases, the exempt organizations do not charge tax on sales of an item while an ordinary retailer would charge the tax.

In connection with exempt rummage sales, the following rules will apply. Isaacs said the sale must be sponsored by a church, charity or school and the entire proceeds must revert to the sponsoring organization; 2—the merchandise must be donated to the sponsoring organization and must not be sold for the purpose of the sale only; 3—the sale must be an occasional affair, held annually or semi-annually, and not continuing; 4—there must not be a business supply firm or any other promotional organization in the background using the sponsoring organization as a means to sell its goods.

W. C. Gerke Dies; Widely Known Here

Wilbur C. Gerke, 70, former Edwardsville postmaster and once head of the Tri-City Abstract and Title Co. in Granite City, died at 2:30 p.m. Monday at DePaul Hospital, St. Louis, where he had been a patient two weeks with a heart ailment.

Mr. Gerke lived at 510 Ramsey street, Edwardsville, and had served as postmaster there from 1936 to 1948. He was married Oct. 22 last year to Miss Roberta Binley of Madison, who survives.

In 1909 he began work with the Madison County Abstract and Title Co., becoming president of the firm in 1945 and continuing in that position until 1960, when the company was sold to the Chicago Title and Trust Co.

Mr. Gerke was a member of the Granite City Elks Lodge 1063, and belonged to the Ainal Temple at East St. Louis, Edwardsville Lodge 99, A.F. & A.M. and American Legion Post 199 at

In the case of exempt bakery sales, Isaacs said, the following rules will apply: 1—the sale must be sponsored by a church, charity or school and the entire proceeds must revert to the sponsoring organization; 2—items sold must be donated to the sponsoring organization and may not be supplied for a consideration; 3—the sale must be of an occasional nature.

In the case of dinners given by churches, charities or schools, Isaacs said the following rules will apply if the activity is to gain an exempt status: 1—the dinner must be sponsored by a church, charity or school and the entire proceeds must revert to the sponsoring organization; 2—the food must be prepared by members of the selling organization without consideration; 3—the dinner must be given on the premises of the sponsoring organization; 4—the dinner must be confined in the case of a church to its members and its guests and in the case of a school to its students and faculty and must not be open to the public.

Isaacs said examples of taxable dinners would be the case in which a church organization serves a dinner to members of a civic club, or when a church sells dinners to the public, such as persons on their way to a football game.

Edwardsville. He was a veteran of world war I. Survivors, in addition to his widow, are a brother, Clarence Gerke, Edwardsville, and a sister, Mrs. Elizabeth Land of Kan-kakee.

Funeral services were held at 2 p.m. today at the Edwardsville funeral home, with interment in Valley View Cemetery.

Shooting Was Accidental

A shooting on Oct. 15, which police had reported as an apparent suicide attempt, was changed to accidental, Chief of Detectives James R. Lowder told the Press-Record yesterday.

He explained that Raymond Jones, 41, of 2921 Warren avenue, was getting out of his car at his garage, the gun struck the steering wheel, going off and wounding him in the shoulder. Jones told authorities he thought the gun was empty.

P-R Contest Winner A 'Benevolent Person'

The benevolence of Mrs. Lillian Chepley, winner of the Press-Record's old newspaper contest last week, was emphasized by the husband of another public figure.

Rydig, who visited the Press-Record office Tuesday to pick up his wife's 1967 newspaper copy, said Mrs. Chepley aided in the union's recent campaign to purchase wheel chairs to be made available to all Laclede Steel Co. employees and their families.

"We set a goal for five chairs and started fund-raising programs to get the purchase price," Mrs. Chepley heard of our project and donated the chair that had been used by her father, Charles Gaumer, who has passed away.

"She's truly a wonderful person, both she and her husband, Joe," Rydigg said. Mrs. Chepley, an employee at Mercantile Mortgage Co., entered a May 6, 1963 copy of the Granite City Press to win a \$50 U. S. Savings Bond in the Press-Record contest conducted during National Newspaper Week. She had the bond made out to her nephew, one-year-old Steven Alan Gaumer, 21388 Edison avenue.

A complete leader training series was combined with craft training.

4 Tons of Debris Taken From 300-Foot Sewer

Between four and five tons of debris, mostly dirt washed in from streets and alleys, were removed yesterday from just 300 feet of the 24-inch sewer line under 28th street between State and Grand avenue.

Supt. of Streets William Warfield said the street department sewer cleaning crew filled more than one truck with the dirt taken from the line, which is a combination for sewage and storm water and also handles sewage from the Fohling road line of the Naneoni system.

Warfield said he and his crew were amazed at the amount of debris taken from the sewer.

Herman Elected GC Kiwanis Head For '62

Elected president of the Granite City Kiwanis Monday night at the Elks Club was William Herman, a metallurgist assistant at the Granite City Steel Co.

Other newly-elected officers who will take office in January are: Gene Lichtler, first vice-president; Gene Fry, second vice-president; and Thomas Kilborn, treasurer. Elected to the board of directors were: Harold Karandjoff, Al Gross, Joseph Acquaviva, Roy Graham, Homer Johnson, Waldo Frohardt, Harry Nelson and Roy Feder.

Outgoing officers are: Karandjoff, president; Herman, first vice-president; Lichtler, second vice-president; Fry, secretary; and Feder, treasurer. Herman will appoint the new secretary at a later date.

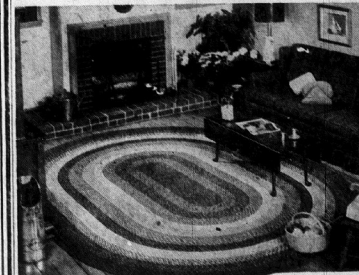

Lichtler opened the program by introducing Granite City Army Engineer Depot Chaplain Billy Cox, who in turn introduced Dwight Flater, also from the depot. Flater showed a 10-narrated color slides that he took while in Korea.

He explained that the Korean climate is similar to that of northern Illinois. Flater said that ordinarily the Korean farmer has two acres of land and he compared the size of Korea to the state of Minnesota. Farmers live together in little settlements, and rice and barley are the main crops. Tillable soil is limited due to the mountainous terrain.

Describing Seoul, the South Korean capital, Flater said the city is old and he pointed out some buildings are over 3000 years old, yet the city is quite modern. One major difference is that very few buildings are heated. Unheated schools are used during the warm months and vacations are taken in the cold months.

He told the 20 members present that the people were poor for education. Turning to religion, Flater reported that only 7% of the population is Christian, although nearly every church has missions there. He added that churches are providing clean and wholesome recreation and they are also maintaining orphanages for thousands of homeless children.

Madison High Career Day Program Set

Madison high school juniors and seniors will have an opportunity to question 28 people representing five different fields of endeavor Wednesday afternoon at the school's eighth annual "Career Day."

Guidance Counselor Richard Brown announced today that there will be the following representatives present at the school program: four from business and industry; seven from commercial fields; six from nursing schools; four from the Armed Forces; and seven from universities and colleges.

Roxana Woman Treated Here After Cutting Wrist

A Roxana woman, Mrs. Verna Stephens, 24, who police said slashed her left wrist in an apparent suicide attempt while visiting friends at Pooton Beach, was given emergency treatment at St. Elizabeth Hospital about 3:55 a.m. Tuesday.

Granite City police, who were summoned to the hospital, said she was taken there by her estranged husband, William.

Nurses' Group To Hold Dinner Meeting Nov. 9

SIU Files Suit Against Three Land Owners

A condemnation suit against owners of tracts in the area of Southern Illinois University's southwestern campus was filed this week in the circuit court at Edwardsville by the SIU board of trustees.

The suit was filed by the university's attorney, L. James Struff against Julius F. Shaffel, St. Louis road, and Alvin I. Hutcherson and Florence A. Hutcherson of Lewis road. Also named a defendant was Daniel McGee, county treasurer and ex-officio county tax collector, who the complaint said has an interest as collector for unpaid property taxes assessed against the real estate.

Involved are 82 acres which the suit states are needed for educational purposes. A university spokesman said the property is at the area where a reservoir is to be located, construction of which is to be started within a few months.

SIU has acquired 1600 acres of the 6500 acre proposed for the final size of the new campus.

The suit points out that the legislature appropriated funds to the SIU board for land acquisition and the petitioners adopted a resolution to acquire the land needs for campus enlargement and educational functions.

Compensation to be paid for the land, the petition continues, cannot in any way be agreed upon between the university and the defendants and the board of trustees has not been able to obtain title by purchase, donation or any other manner.

SOCIETY 175 Attend Space Program Club To Aid In Fund Drive

Members of the Welcoming Wagon Club, meeting Tuesday evening at the Boviand banquet room, decided to participate in the November Muscular Dystrophy fund campaign by distributing canisters to business places and conducting a street corner campaign on Nov. 25.

Mrs. Sylvia Brylak, president, was in charge at the meeting, and the speaker was Mrs. Helen Boerner of St. Louis, who outlined the drive and showed films of her son who died of the disease in 1954.

During a business session, a report was made of the financial success of a recent hat show, and a nominating committee was named to prepare for the January election. A white elephant sale was conducted with Mrs. Charlotte Vanzo as auctioneer.

The next meeting will be at the home of Mrs. Brylak with Mrs. Jackie Papa and Mrs. Letta Staudacher as November hostesses.

Investiture For Brownie Troop 58

An investiture ceremony for Brownie Troop 58, sponsored by the Gospel Haven Community Church on Maryville road, was held Monday evening at the church.

Mrs. Dolores Miffin was in charge of the ceremony, assisted by Mrs. John Crutcher, and as a part of the service the girls introduced their parents and sang Brownie songs.

Invested were Debra B. E. Karen Boyett, Karen Crutcher, Patricia Tester, Patti Lathrop, Becky Green, Sandra Martin, Mary Poole, Janet Watson, Debbie Phelps, Martha Miffin and Carol Crutcher.

After the ceremony, the Brownies and their parents, numbering approximately 40, were served refreshments by Rev. and Mrs. Crutcher at the parsonage.

ATTEND HOME BUREAU COUNTY MEETING

A group of local women, members of the Trio Unit of Madison County Home Bureau, attended the 25th annual meeting of the Home Bureau at Eden United Church of Christ in Edwardsville Tuesday.

Mrs. Clyde Lebeque, county president, was in charge and the morning session was devoted to business. A noon luncheon was served by the ladies of the church to approximately 300 persons and the speaker in the afternoon was Mrs. Dana Stewart of Princeton, Ill.

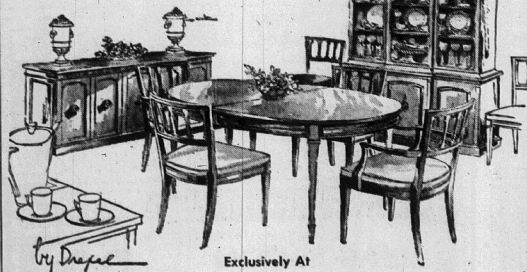

There were talks by a number of others, including Mrs. Elaine Wendler, county home advisor, music by the Four-H "Clovertones" and group singing.

Attending from the Trio unit were Mesdames Florence Rapp, June Lux, Kathryn Roman, Shirley Schillinger, Ida Krauskopf, Clara Harbig, Clara Schillinger, Lein Soehlig, Mary Markham, Edna Buerger, Jerry Short and their guests, Mrs. Dorothy LeVore, Miss Donna Schillinger and Mrs. Willa Mae Lux.

TRIUNE by Drexel

Triune, the distinguished new collection by Drexel, is based on traditional themes... interpreted in a contemporary manner. Triune's very name reveals its three-century legacy. Out of the 18th century comes the soft Sheraton influences of delicate moldings and graceful fluting. The regal arches and subtle leg motifs were inspired by 19th century Regency designs. And from the 20th century come countless functional advantages. Designers Henry and David Warren employ genuine mahogany woods with walnut burr accents. A single dining room piece or an entire grouping is also available in two exclusive colors... Triune white and Triune blue. Come discover these treasures of Triune... masterfully correlated for your living, dining and bedrooms.

At Coolidge Jr. High PTA

A gathering of 175 persons witnessed a program on space technology at a monthly meeting of the Coolidge Junior High school PTA Monday evening at the all-purpose room of the school. Mrs. Valerie Evenden, president, conducted the meeting, and David Whitsett, treasurer, gave the PTA prayer and the pledge of allegiance was led by Lewis Diavich.

Miss Louise Middleton, German teacher, led some of the students of her seventh and eighth grade classes in singing four songs in German, the last number being as a round with portions in German, Spanish, French and English.

Titles of programs for the 1954-55 year were read by Mrs. Lois Haynes. They include an open house Nov. 9, during American Education Week. There will be no meeting in December due to the Christmas holidays.

Open house will be held for the departments of art, home economics and industrial arts, along with a panel discussion in January; a program explaining how Communism can infiltrate a country; February: a civil defense program and talks by the school board candidates, March: legislation and mental health program and election of officers, April; and installation of officers and recognition night for outstanding academic and athletic students, May.

Mrs. Haynes read a letter from the Granite City Civic League inviting the members to a dinner meeting Nov. 2.

Announcement was made by Mrs. Evenden of a Halloween dance for Coolidge students tomorrow, and the PTA members were asked to assist the faculty and the student council members.

She also reported that a basic civil defense course will start Nov. 8 in the CD building, which was the former fire station on 19th street. Registration will be held there any evening between 7 and 9. The civil defense staff also plans a first-aid course to begin on Nov. 6.

Mrs. Mary Jesse, legislation chairman, reported on a current bill before the general assembly in Springfield in which Chicago is seeking state aid for transportation of school children. She asked the parents to write their state legislators and urge opposition to the bill. She explained that the PTA can endorse issues, but does not endorse or support candidates.

A president's pin was presented to Charles H. Jungels, president for the past two years, by Mrs. Evenden, who thanked him for his efforts on behalf of the PTA.

Two films, "Space Capsule" and "Journey Into Space," released for use by the public relations department of McDonnell Aircraft Corp., were shown by David Cattle, assistant principal.

Whitsett, who arranged for use of the films, gave a brief synopsis of them. He said the Mercury space craft was designed, developed and built by McDonnell with the collaboration of the National Aeronautics and Space Administration and the assistance of an estimated 4000 suppliers and subcontractors throughout the country.

The capsule had to be developed concurrently with the research, and every component essential to the safety of the astronaut is backed by at least one other method of achieving the same result, he said. All the equipment had to be miniaturized to fit into the capsule, and the project was completed less than 28 months after it was started.

There were seven miles of electrical wiring in each capsule, and the instrument panel is 24 inches in front of the astronaut and has a total of 165 different switches, dials, meters, toggles, buttons and lights. The capsule can be controlled automatically from the ground and manually by the astronaut.

Refreshments were served by members of the hospitality committee. Mrs. Shirley Brown, Mrs. Bert Boone, Mrs. Mary Whitsett and Mrs. Marie Polley.

Sorority Holds Party For Rushees

Eta Chapter of the Phi Tau Omega sorority held a party for rushees at Hurley's restaurant, St. Louis, Tuesday evening. The four special guests were Mrs. Valeta Bauer, Mrs. Jimmie Hill, Mrs. Francis Hartman and Miss Dolores Crane.

SOCIETY

Twenty Up Class Elects Officers

Officers for the coming year were elected by the Twenty Up class of the Dwyer Avenue Methodist Church at a meeting last night. They are Jake Hinterser, president; Jerry Kent, vice-president; Mrs. Edna Reynolds, secretary; Marshall Testerman, treasurer; Dr. Hugh Brooks, program chairman and teacher; Mrs. Judy Hinterser, membership chairman; and Mrs. Helen Testerman, refreshment chairman.

A panel discussion was a highlight of the meeting and refreshments were served by the hostesses, Mrs. James Bernick, to Dr. and Mrs. Brooks, Mr. and Mrs. Kent and children, Mrs. Betty Tester and children, Mr. and Mrs. Testerman and son, Miss Glenda Moore and Mr. and Mrs. James Reynolds.

Talent Show At Niedringhaus PTA

The Niedringhaus school PTA met Tuesday evening with approximately 200 present. Clayton Creek, president, was in charge and announcement was made of 100% membership in Mrs. Gwendolyn Berry and Miss Louise Dexheimer's rooms. The program for the evening consisted of a play by the sixth grade and a talent show by students at the school. Harold Brown, recreational director at Wilson Park, presented awards to the school for their activities in the square dances at the park. They were accepted by the principal, Gerald Bushue.

Winners in the room count were Edwin Bodman's room, Elizabeth Edwards' room, and refreshments were served by the first grade room mothers.

Sorority Holds

Masquerade Party.

Members of Epsilon Sigma Alpha sorority enjoyed a Halloween masquerade party last night in the home of Mrs. Joyce Willmore, 2600 East 27th street.

The costume of Miss Lana Winters was judged the best and she was presented with a prize. Prizes in the games were won by Mrs. Roberta Arbetter and Mrs. Janice Biele. The appointments of the party carried out the Halloween theme and refreshments were in keeping with the occasion. Eleven members were served by the hostess and the co-hostess, Mrs. Lucille Tritschuh.

Moose Women

Enroll 4 Members

Four candidates were balloted on and accepted last night at a business meeting of the Women of the Moose, Chapter 247. They are to be initiated at a later meeting.

Mrs. Mary Murgie, senior regent, was in charge and plans were made for a banquet Nov. 27 at the Moose Home honoring all past regents of the local chapter. Ten of the members are also planning to attend a radio program in St. Louis Tuesday, Oct. 31.

The next meeting will take place Nov. 8 when the program will be in charge of the library chairman, Mrs. Neil Hildebrand.

MASK PARTY FOR CLUB

Mrs. Alan Polley and her sister, Mrs. Ronald Dillard, were co-hostesses to members of their club at a Halloween party last night in the Polley home, 2433 St. Clair avenue.

Games were in keeping with the season, were the costumes worn, and prizes were awarded to Mrs. Sandra Pulovchik and Mrs. Carol Squires. Others attending were Mesdames Sharon Gracey, Gale Williams, Barbara Houston, Joan Houston and Miss Judy Cachick. Refreshments were served and plans were made for the next meeting at the Squires home, 2611a Grand avenue.

HOSSTESS TO AFTERNOON CLUB

Mrs. Betty Jo Harvath of Highway 162 entertained the Outerspace Innerstraight discussion club Tuesday afternoon.

Present were Mesdames Minnie Clay, Arnie Barfield, Deloris Smith, Joan Myers and Rose Thaler.

The award went to Mrs. Clay and plans were made for another meeting Oct. 31 in the home of Mrs. Myers, 2341 Miracle Manor.

LOCAL CLUB MEETS IN ST. LOUIS

A local club, the VTB, was entertained Wednesday afternoon in the home of Mrs. Walter Gillen in St. Louis.

The hostess included one guest, Mrs. Nina Gorsuch, and awarded prizes to Mrs. Ernest Corbin, Mrs. Ray Huff and Fred Branding. The club will meet again Nov. 8 with Mrs. Huff at Dunlap Lake, Edwardsville.

FORMER RESIDENT HERE

Mr. and Mrs. Donald Rhoads and children, Melinda and Clark, of Taylor, Mich., are guests this week of their parents, Mrs. Clark Rhoads, 2969 Madison avenue, and Mr. and Mrs. John Bucky, 2012 Park avenue.

Officer Election By Senior Troop

Senior Girl Scout Troop Five sponsored by the Dunbar school in Madison met Wednesday afternoon with their leader, Jewell Barnes, at 909 Franklin street.

An election of officers was held and those named were Frances Owens, president; Irene Barney, secretary; and Juanita Watters, treasurer. Others present were Kathryn Griggs, Archie Mae Harris, Shirley Collier and one new member, Winona Weston.

The girls are planning to use their weekly dues of ten cents each for a weekend trip out of town at the end of school. They sang songs which are to be used on the program at the Cookie Kickoff at the Washington Theatre Saturday morning and heard reports of leading songs with the Brownie Troop of the school. Also reported on was an overnight campout at Camp Lakota recently.

Refreshments were served by Shirley Collier, who was celebrating her birthday.

CUB PACK SEVEN HALLOWEEN PARTY

Cub Pack Seven of St. Joseph's school held a Halloween party Tuesday evening in the church basement with the members and guests all attired in costumes appropriate to the occasion.

Prizes for the best dressed went to Ralph Puse, Stephen Noon, and Anthony Seymore; Mrs. Irene Campbell, a Den mother, dressed as a witch; and Darwin Thornton, who represented a woman beatnik.

Gifts were presented to the members and a meeting was conducted by Cubmaster John Winkmeier, with a Robert ceremony for Leonard Puse, Nathan Moerlin, Stephen Mueller, Richard Hamilton and Donald Perkins.

Awards were made as follows: gold arrow and Denner stripe to Stephen Noon and an assistant Denner stripe to Richard Diak; wolf badge and a silver arrow to Marc Campbell; a Denner stripe to Ralph Puse; and an assistant Denner stripe to Robert Scarborough.

Two new Den mothers, Mrs. Frances Gruber and Mrs. Phyllis Justus, were welcomed. Refreshments were served to about 60.

BORORITY MEETS AT FAIRBANKS HOME

The home of Miss Marcelle Fairbank in Madison was the place of meeting last night for the Beta Iota Chapter of Beta Sigma Phi sorority.

Mrs. Beatrice Brackett, chairperson, and Mrs. Delores Dorch reported on an executive board meeting. Plans were made for a "beatnik" party Saturday evening in the home of Mrs. Lora Mae Lombardi.

The assisted by Miss Joyce Todd, a "white elephant" auction was held by Mrs. Juanita Calve.

The prize for the evening went to Mrs. Evelyn Tolliver and the "round robin," a bakery product, was presented to Mrs. Joyce Todd.

The hostess served refreshments to the members and guests, Mrs. Evelyn Tolliver.

CUB PACK TWO HOLDS MEETING

Cub Scout Pack Two held a monthly meeting last night at the Lake school. The pack is sponsored by the Association for Aid to Retarded Children.

The meeting opened with the presenting of flags by the boys and Frank Kraus, cubmaster, presided. All joined in songs and a Halloween skit was presented.

After the closing ceremony refreshments were served to 22 persons.

GUESTS AT GRIFFIN HOME

Mr. and Mrs. Robert K. Griffin of New York City have returned home after a visit of two weeks with Mr. Griffin's parents, Mr. and Mrs. H. K. Griffin, 2537 Sheridan avenue, and relatives of Mrs. Griffin in Jefferson City.

Mr. Griffin is in Jefferson City. Other guests at the Griffin home here during the visitors' stay was Clyde Griffin of Springfield, Ill., and Mrs. Eunice Griffin of Alton.

Minor Fire In Rubbish Chute At Hospital

A blaze in a rubbish chute in the new wing at St. Elizabeth Hospital set off the sprinkler system in the incinerator room about 5:45 a.m. Tuesday. Hospital authorities said damage was slight.

Firemen from the main station answered the alarm and quickly doused the burning rubbish, apparently touched off by a lighted cigarette that had gone down the chute. The firefighters also aided hospital workers in sweeping away the water.

8 Journalism Initiates

Eight students were initiated into the Quill and Scroll Journalism society in a candlelight ceremony during a tea Tuesday night at Granite City high school. They were Carol Bradish, Georgianna Grider, Peggy Carmack, Lynn Ann Hastings, Charlene Landis, Lana Landman, Tom Vassilef and Coleen Weston.

Principal Lawrence McCauley spoke on journalism and writing, and Donald Ruckelrigg, advisor, congratulated the initiates. Connie Blison and Darrel Beeding conducted the ceremony.

Buy School Mat At \$600 Less Than In 1957

The Granite City school board voted Tuesday night to purchase for \$2011 a 36x36-foot mat described by school administrators as identical in size and quality to mat purchased in 1957 for \$3215.

The 1957 purchase and a reported \$600 discount were the subject of an investigation by the board in 1959 but no conclusion was reached. It was brought out then that the 1957 mat was costlier by 50 cents a square foot—about equal to over \$600 on a 36x36-foot mat—than a mat bought in 1959 and described by school officials as of identical quality.

A brief discussion on the topic was held at Tuesday night's meeting, with board members noting that still another figure showing a \$600 difference is reflected by the new bid of \$2011.

Action taken was to accept two bids from the Len A. Maune Co. of St. Louis county—\$2011 for a 36x36-foot mat for Granite City high school and \$2011 for a 24x24-foot mat for Prather Junior high school, the latter to be paid from the Prather school construction funds. Cost of both new mats is \$201 a square foot, compared to \$18 in 1959 and \$248 in the controversial 1957 action.

The bids accepted Tuesday were the low proposals that met specifications. Bids ranged from \$2350 to \$2946 on the larger mat and from \$1045 to \$1326 on the smaller mat.

Library Book Contract
In other action, the board awarded a contract to H. R. Hunting Co. to supply library books during the present school year at 35% discount on trade books, 25% on non-fair-trade books, 15% on fair-trade, 10% on textbooks and short discount orders and net on publishers' library editions and on bilingual.

Exceptions will be specially-reinforced elementary books and special discount offers.

Receiving an estimate that library purchases might total \$12,500, Board Member Earl Hulbert questioned whether a "leveling off" point has not been reached, noting that the school last year topped \$10,000. He said previous state recommendations for library expansion no longer are noted in yearly state reports.

Supt. Harold M. Kaiser stressed a need for continued acquisition of library books and reference works, and President Robert Spengler cited the school's enrollment increase of 600 and the need to keep volume up-to-date. Board Member Monroe Worthen said general economy steps being followed this year can be countered as specific library purchases are submitted to the board.

Room Without Heat
The board accepted a low bid of \$3300 from Reiser Plumbing and Heat Co. on installing heating and ventilation in a Prather Junior high school classroom. The school is in its second year of operation.

The vote was unanimous, but Member Herbert Bischoff said, "It seems a little silly to me to build a room anywhere without heat or ventilation. Has it got lights?"

Used as a general classroom, the space contains about 100 square feet of space, situated between vocational shops. The original plan took into account the possibility of it being used as a shop classroom, with a connecting door left open and some ventilation being obtained through the doorway.

Replace Logan Entrance
A low bid of \$1375 from M. H. Wolfe and Co. was accepted on installing double metal doors and frames flanked by side panels of glass blocks at a Logan grade school entrance leading to a blacktop playground.

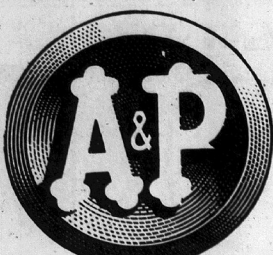

Wood framing of the present wall section, not protected by an entrance door, has been badly rotted by the weather during the six years since completion of the building, School Engineer Marvin Dean said. It was estimated that the present wood and plain glass could be replaced at about \$600, but the location was described as particularly vulnerable to the sun and rain.

Thirty-seven new practice basketballs were ordered from Graham's Book Store at \$489 after a study showed the use of "seconds" or "rejects" is not advantageous. A Thomas collator machine costing \$140 was ordered from A. B. Dick Products Co. after a demonstration showed how it can speed assembly of mimeographed sheets for board agendas and school pamphlets.

Sell Old Machines
Machinery, consisting of 12 former vocational shop machines in the Granite City high school basement and two obsolete lathe machines in the Central Junior high school shops, was sold to the Hemple Co. of St. Louis on its high bid of \$635.

The board decided to seek a pickup truck, with the administration either obtaining bids on a 1961 or 1962 model, estimates on a 1959 or 1960 truck or purchasing a government surplus vehicle at up to \$150 for a 1958 model, \$100 for 1957, \$75 for 1956 or \$50 for 1955.

The action was taken after six bids ranging from \$253 to \$296 were received on putting a rebuilt motor into the district's present 1952 delivery truck.

Writings of Luther Given To GC Library

Copies of The Writings of Dr. Martin Luther, a set of 55 volumes, are being held in the Granite City public library as gifts from the Lutheran Bureau of the Quad-Cities. It was announced this week by Rev. Samuel Boda.

Seventeen volumes have been presented thus far. The books are English translations of the original German works of Luther. Chief editor is the Rev. Dr. J. J. Pelikan Jr., Publishers are Concordia Publishing House, St. Louis, and Muhlenberg Press of Philadelphia.

Citizens of this community are encouraged to make use of the historical books on God's Word and on the career of Luther, the great Reformer.

The Lutheran Bureau also has purchased a volume of two H-F records of church hymns sung by the Concordia Cantata Chorus under the direction of Prof. Robert Berg which are to be presented to a radio station for use on religious broadcasts.

Planning Commission Rejects Zone Request

A petition for a zone change from R-1 to R-4 residential classification for a tract of the 2100 block of Johnson road at Eldon was denied yesterday by members of the Granite City Planning Commission. The commission earlier had turned down a request for R-5 zoning for the same tract, where plans were under way for development of apartments.

Much talent is lost to the world and unless it is backed by courage.

Friendly Suit On Port District's Legal Authority

A friendly quo warranto suit will be filed by State's Attorney Mudge tomorrow to seek a circuit court ruling on the Tri-City Regional Port district's authority to operate port facilities and to purchase and operate Madison warehouse buildings owned by the National Container Corporation and retirement fund.

The suit will name the port district and its board members, at their request, it was announced today. The ruling would clarify the district's legal right to operate within the Quad-City area while the Bi-State Development Agency also is conducting port operations in the community.

The proposal for purchase of National Container property includes continuation of a lease to the Owens-Illinois Co., which uses some of the buildings as a cardboard container manufacturing plant.

Parades, Other Events Planned For Hallowe'en

A long list of local merchants have offered prizes to be awarded at the annual Hallowe'en Parade sponsored by Granite City Moose Lodge 272 next Tuesday night, and plans are nearing completion for activities in Venice and Madison.

The Granite City parade will projected pupil enrollments during the school year which will outline future building needs."

begin at 8 p.m., forming in front of the City Hall, Edward Chastain, Moose Lodge civic affairs chairman, said city officials will name judges for the event to be announced Monday.

He said two dozen local merchants and business firms are offering prizes of merchandise and gift certificates to be awarded entrants, with more to be expected to be added to the list.

A Hallowe'en parade on Broadway is planned in Venice, sponsored by the Venice high school Student Council and Milton Morris, local businessman. In Madison separate Hallowe'en activities are scheduled at the schools.

Venice Plans The Venice parade will begin

at 7:30 p.m. Tuesday at the corner of Second and Hampton streets, proceeding from there to the school grounds where entrants will be judged and prizes awarded.

Student Council members on committees making plans for the event are Mary Margaret Caruso, Betty Bauer, Marilyn Hast, Jane Dubois, Sharon Traylor, Frank Bartlett, Karen Rodgers, Marilyn Gonterman, Peter Fields, Michael Lopez and Diane Wilcox.

At Louis Baer school, a Hallowe'en party will be held Tuesday afternoon, with prizes to be awarded by the Madison Schools Mothers club. First, second and third place prizes are to be

awarded for the most appropriate costumes, and refreshments will be served in the class rooms after the judging.

Parties and parades are to be held at Blair, Dunbar and Harris schools tomorrow afternoon, with some of the activities to be held outside, weather permitting.

CIVIC LEAGUE DINNER TO STRESS PATRIOTISM

To the Editor: On November 2, the Granite City Civic League will hold its annual dinner meeting at the YMCA, Father Henney and Dr. Castelloni from the faculty of St. Louis University will discuss Communism and the Cuban invasion, demonstrated distance.

Thinking over the program, and the sincere desire of our organization to awaken the people in our locality to the real and serious threat of Communism, and also to the danger of dormant and lukewarm American

patriotism, I am reminded of the poem by Scott.

LAY OF THE LAST MINSTREL
Breathes there the man with soul
Who never to himself hath said
This is my own, my native land?
Whose heart hath never within
him burned,
As home his footsteps he hath
turned
From wandering on a foreign
strand?
If such there breathe, go, mark
him well;
For him no minstrel raptures
swell;
High though his titles, proud his
name,
Boundless his wealth as wish can
claim.

Granite City PRESS-RECORD
Thurs., Oct. 26, 1961 Page 23

Despite these titles, power, and
pelf,
The wretch concentred all in self,
Living, shall forfeit fair renown,
And doubly dying shall go down
To the vile dust from whence he
sprang,
Unwept, unhonored and unsung.
The American paratrooper has
a motto which is good enough
for all of us, "Quitters never
win. Winners never quit."
Sincerely yours,
MRS. LILY P. CHABOUDE

Pays \$165 Fines; Jail Sentence Suspended

Donald Ray McCaslin, 23, of 3748 Lake street, was released at 1 p. m. Tuesday upon payment of \$165 in fines and a 30-day jail sentence was suspended by Police Magistrate Gasparovic Jr. McCaslin was arrested about 11:30 p. m. Sunday by Granite City police after a chase, 80-mile-an-hour chase which started on Edwardsville road at 14th street and ended at the intersection of State routes 111 and 182.

He pleaded guilty to operating a motor vehicle without a driver's license, speeding 80 mph in a 45 mph zone, reckless driving, passing on the right side and refusing to heed the siren on a police car. Ten dollars of the amount that he paid Tuesday was a previous fine for operating a vehicle without a driver's license a week ago.

Film Predicts Business Acceleration in 1960s

The business outlook for the 1960s is good because the population is growing and average disposable income also is rising, Granite City Rotarians were told through a motion picture shown by William Hoeftschke, program chairman, at Tuesday's weekly luncheon meeting.

The film, prepared by the Metropolitan Life Insurance Co., also noted that business conditions will increase sharply by the end of this decade because there will be many new products to attract portions of the average family's earnings.

Plans were made for the Rotary members and their wives to attend a Halloween party Saturday evening at President Edward Mue's farm home near Edwardsville.

Miss Davis Homecoming Play Musical Director

Miss Rogers V. Davis, daughter of Mr. and Mrs. Roger H. Davis, 623 Jefferson avenue, Venice, will be the musical director for the homecoming play at Illinois Wesleyan University, Bloomington, Ill.

The play, William Gibson's "Dinner and the Witch," will be presented Oct. 26, 27, 28 and 31 and Nov. 1, 2, 3, 4 at the drama school's contribution to the annual festivities. The presentation will be in Spotlight Alley Theatre at 8 o'clock every night except Saturday, Oct. 28, when curtain time is 7:30.

Miss Davis, a Venice high school graduate is music student at Wesleyan.

Collide Near Crossing

A collision at 10:35 a.m. Tuesday damaged the left front end of the car of Eula D. Beck, Florissant, Mo., southbound on State street, and the left side of the auto of Versie L. Graham, Eagle Park, who was driving east on Market street, Venice, after a train had passed the crossing.

Traffic Expert Favored Over Division Setup

(This is the 36th in a series of articles based on a reorganizational study of city government in Granite City by Southern Illinois University.)

"There has been some discussion in the Granite City police department on the merits of establishing a traffic division. This matter has been thoroughly studied and discussed with experts in the field of police administration.

"It is recommended that there be no separate division whose principal responsibilities would concern traffic control. This recommendation is made for the following reasons among others:

Reasons Against Division

"1. The Granite City police department is too small to warrant such specialization.

"2. The evils of specialization offset any advantages which might be claimed for it. Specialization has a tendency to stratify and splinter the various units in the police department. The development of a traffic division de-emphasizes the total police function.

"3. There is not sufficient personnel available to man a separate traffic division.

"4. Members of a traffic division would tend to restrict their activities solely to traffic and members of the patrol division

would ignore traffic matters to the detriment of the force as a whole.

"Instead of setting up another division of the police department, it is recommended that one of the officers, preferably the assistant chief of police, be designated the traffic officer for the department. The duties of this officer, in addition to his other administrative duties as supervisor of the patrol force, would include the following items:

Recommended Steps

"1. He should develop selective enforcement programs and communicate this information to the force as a whole.

"2. He should maintain close supervision of the accident reporting and accident investigation school, local, state and national awards.

"3. He should train all department personnel in the techniques of accident investigation and the various phases of accident reporting.

"4. He should supervise the maintenance of the pin-map showing the number and types of accidents in the city.

"5. He should make or assign other officers to make safety talks throughout the community whenever the opportunity is present.

"6. He should keep abreast of the developments in traffic enforcement, accident investigation and accident reporting from

the latest professional journals dealing with the subject.

"7. He should study traffic conditions in the community in the light of the best opinion in traffic engineering and should make written reports to the chief on his recommendations for improvements.

"The assistant chief working days is the logical man to develop such a program. He should be given every opportunity to increase his background in traffic and traffic engineering so that he can impart an understanding of the principles to the men on the force in the training session.

Selective Enforcement

"He will evaluate the accident records in order to set up a program of selective enforcement either by area or by type of accident as indicated. A program such as this would result in far greater benefit to the department than the creation of a traffic division.

"The assistant chief as traffic officer should participate with the chief of police in advising the mayor and city council on all traffic control policy matters. They should develop a plan of traffic control based upon jointly established policy.

"The mayor and council should consult the chief of police and the traffic officer before passing any ordinance affecting traffic control.

'62 CORVAIR MONZA
NEW FACE, SAME SPORTING HEART
We might as well tell you straight off: Corvair's the car for the driving enthusiast. Think that lets you out? Maybe. Maybe not. Until you've driven one, you really can't say for sure, because Corvair's kind of driving is like no other in the land. The air-cooled rear engine sees to that. You swing around curves flat as you please. You whip through the sticky spots other cars should keep out of in the first place. (Especially this year, now that you can get Post-traction as an extra-cost option.) You stop smoothly, lovingly with Corvair's beautifully balanced, bigger brakes.
Corvair's found other new ways to please you this year. A forced-air heater and defroster are standard equipment on all coupes, sedans and both Monza and 700 Station Wagons. So are dual sunshades and front-door armrests and some other goodies. You'll note some new styling, inside and out. Nice! And safety-belt installation is easier, too, and cheaper.
So you can see we haven't really done much to Corvair this year. Why on earth should we? If this car, just as she is, can't make a driving enthusiast out of you, better take a cab.
A New World of Worth
CHEVROLET
And here's America's only thoroughbred sports car, the '62 CORVETTE. We warn you: If you drive a Corvette after your first sampling of a Corvair, you may well end up a two-car man. And who could blame you?

Local Missile Defense Being Kept Up-To-Date

Quad-Cityans can sleep more comfortably beginning in November because of "Birdie"—battery integration radar and display equipment that is being installed at the 62nd Artillery's First Missile Battalion headquarters in Belleville.

The transistorized, mobile electronic system will give the missile unit commander better control of firing of the Army's Nike guided missiles from four points encircling the metropolitan area. Pere Marquette, Marine and Hecker in Illinois and Pacific in Missouri. The government says the radar device will afford a complete picture of an air battle as it is in progress and will enable firing from various Nike batteries to be coordinated.

We do not look forward to any occasion on which the new equipment will be placed in use. But it is good to know that the local air defense system is being kept up-to-date.

Training Plan Underlines Value Of Efficiency At Polling Places

The new state law requiring training and tests for election judges is a step in the right direction, for it is important that polling place officials maintain proper decorum and orderly procedures for voting, follow all legal requirements and report the results accurately and promptly.

An added dividend might be that it will be easier to attract competent people to jobs at the polls. With election salaries being brought more in line with other pay, and the improved prospect for efficient and rapid dispatch of the duties, the positions are more attractive than in the past.

Those in charge of securing election officials might well give thought to required instructions and tests for more than the required number. If a large number of persons become qualified, there will be a variety of applicants to choose from, and also a reserve from which to draw in the event of illness or resignations.

Miniaturization Ending "Think Big" Philosophy

"Think big" used to be the sure way to success, but large American businesses and the huge governmental system now are urging engineers and inventors to think small—the smaller the better. Miniaturization has the potential, some people claim, to spark a "second industrial revolution."

Already looming large in computer and space vehicle technology, miniaturization also may revolutionize medical science with new tools and testing devices, and military arts with lightweight weapons. It could open up new consumer markets and bring about vast changes in manufacturing processes. Accelerated in 1948 by development of transistors to replace vacuum tubes, the field has grown to include countless mechanical parts, electronic devices and electrical circuits.

Although the end is not in sight, there seems little likelihood that miniaturization can be applied to its own terminology. To meet new trends and concepts, shrinkage of components and devices is being referred to in larger and larger ways—miniaturization, ultraminiaturization and micro-miniaturization.

Time Devoted To Youngsters Important To Their Future

A comment by a scouting officer that more youngsters could be served if there were more volunteer adult leaders touches on a basic issue of parental responsibility toward their offspring. Whether for scouting, for other programs or for counseling within the home, time and attention by parents cannot be adequately replaced by any substitute.

Demand on the time of mothers and fathers are intense, and quite often it seems that 24 hours in the day are simply not enough. Yet, the needs of children for supervision and instruction remain important—perhaps the most important issue in a world plagued with too much crime, too little ethics and too many broken homes. How well parents solve their time problem will have a lot to do with how well the younger generation and the world fares in the coming years.

"Small" News Is Big To Local Families And This Newspaper

In retrospect, the Press-Record's "oldest newspaper" contest during National Newspaper Week not only aroused considerable public interest but also proved heartwarming to staff members. It demonstrated the close ties that exist between the newspaper and local residents, and told something of why newspaper work is so enjoyable and what the Press-Record tries to accomplish.

In every case in which an old edition had been saved as a valued possession, the reason was an article relating an experience that profoundly affected the family—a wedding, death, war service, employment, community disaster, souvenir historical review or similar happening.

Although major news stories are necessary in order for all to be fully informed, we confess that our greatest enjoyment is in reporting the less dramatic accounts of births, engagements, anniversaries and countless other examples of "small" events that have of immense importance to individuals, and that we also regard as important.

This is the real fiber that forms the community, no matter how large it may grow.

The only way to protect yourself against a fast-talker is slow action.

Enemy Pattern—Two Steps Forward, One Step Back

No layman—no diplomat, for that matter—can know all the answers for coping with the threat to world peace and freedom, but the enemy pattern has become clear in some respects. As Bishop Sheen, one of the leading authorities on the subject, has noted, there is a repeated policy of "Two steps forward and one step back."

Saber-rattling in its various forms, whether building in Berlin or further infiltration in Southeast Asia, is frequently followed by a period of conciliation and negotiation. But the "soft line" soon changes and there is a new territorial annexation, another non-Communist government determined or a new attempt to break down the will to resist.

If it was merely a step forward for each step of retreat, there would be less danger. But by alternate use of force or subversion and semi-reasonableness, gains are being made and the balance of power is being altered. A new western approach to offset such fancy footwork must be developed.

The cost of government is in proportion to the demands that people make upon government.

Prizes Planned At Long Lake Halloween Party

Prizes will be awarded for the best, funniest and most original costumes at the second annual children's Halloween party sponsored by Long Lake Amvet Post 187. The event will be held from 7 p.m. to 10:30 p.m. Saturday at the Long Lake volunteer fire department hall on Ponton road.

Games will be played, refreshments will be served and music will be provided for dancing. Treats will be given out during the evening.

The invitation to the party has been extended to youngsters ranging from "toddlers" to 17 years of age. Steve Handley is commander of the post and Russell Crider is public relations officer.

Mrs. Lewis Elected To Historical Society Office

Mrs. A. Austin Lewis was elected second vice-president of the Madison County Historical Society during a meeting this week at the Triad high school near Troy.

The new president is A. Elton Smith of Wood River, and Donald F. Lewis of Bethalto is first vice-president.

Your Governor Reports by OTTO KERNER

Elected officials have two basic responsibilities. One is to faithfully discharge the administrative duties of office, the other to serve the best interests of the people. To do either they must demonstrate a willingness to consider all the facts about any issue on which a decision must be reached.

The policies of state government have direct influence on every citizen in Illinois and incorporate sufficient cause for the people to elect those candidates who have demonstrated a responsiveness to the serious responsibilities of the office they seek.

The freedom and rights of the citizens of this country have no greater warranty than that which comes from the basic philosophies of our political system. The two major political parties in our country will forever restrain one another from becoming too powerful. This has been demonstrated time and again and is the strength of our democracy.

History clearly records that neither party has been right on every issue 100% of the time. These differences are healthy and a comforting assurance that the issue to be decided will be discussed, weighed and considered on its merits and its consequences. But when the final vote is cast, there should always be two prime considerations—is it best for the people, is it best for the state.

If one political party becomes enamored with self interests, it is the people who suffer. I do not believe that any issue can be decided strictly on party lines and always represent the best interests of the people.

It should be the relevant facts and the attendant consequences viewed in terms of general welfare that determine passage or defeat. When these become our basic reasoning processes in

Lutherans Set Reformation Festival For Sunday Evening

A joint Lutheran Reformation Festival service commemorating Dr. Martin Luther's nativity of his 95 theses to the Castle door in Wittenberg, Germany, on Oct. 31, 1517, will be held Sunday evening at 7:30 o'clock at St. John Lutheran Church, St. Clair and Dale avenues, according to an announcement by the pastor, Rev. Samuel Boda.

Participating in the services will be the choirs of three Lutheran Churches of the Synodical Conference, Concordia, Hope and St. John. A mass children's choir, made up of young people from the three congregations also will sing.

The guest speaker will be Prof. Gerhard Abo, of Concordia Seminary, Springfield, Ill. Serving at the altar will be Pastor Alfred Bula, Pastor Boda and Daniel Teuscher, vicar of Concordia Church. Following the worship service there will be a fellowship period in the downstairs hall at which worshippers will have an opportunity to address questions to the speaker regarding the Reformation.

Pastor Bula will act as moderator for the question and answer period and refreshments will be served by the ladies of the combined congregations.

In charge of the music portion of the program will be Gordon Waterman of Concordia Seminary, St. Louis, who is currently serving as organist and choir-master at Concordia Church. He will lead the adult mass chorus in a rendition of "A Mighty Fortress Is Our God" by Martin Luther and arranged in four new settings by Paul Bunjes. One of the arrangements calls for several trumpets and soprano descant. John T. Severine will lead the trumpeters. The children's choir will offer the first and last stanzas of "Beautiful Savior". Mr. Joseph Cull will provide the organ. The service, which is open to the public is sponsored by the Lutheran Bureau of the Quad Cities made up of commissioners from the three local churches. Steve Henke is chairman and Heulit Degischer is serving as executive secretary.

The Lutheran Bureau also has announced the showing of the motion picture, "Martin Luther" on Sunday at 3 p.m. on TV Channel 5 as a Reformation feature.

Top winners were Keith Zinn, 16, a Granite City high school junior, son of Mr. and Mrs. Dorsey Zinn, 2635 Center street, first place in the high school division; and Ronald Holland, a Coolidge, junior high school eighth grade student, son of Mr. and Mrs. Earl Holland, 2148 Robert street, first place in the junior high school division.

Prizes being awarded by the Associated Retailers and Civic Association, sponsor of the yearly event, are \$18 for first place in each of the two divisions, \$9 for each second place, \$4.50 for each third place and \$2.25 for each of the 20 honorable mentions — 10 high school and 10 junior high.

HALLOWEEN POSTER WINNERS are pictured with Gens Lichner (center), Associated Retailers' vice-president in charge of the retailing division, during presentation of awards in the annual contest. At the left is Keith Zinn, Granite City high school junior, holding his three-dimensional entry, selected as best in the high school division, and at right is Ronald Holland, Coolidge school eighth grader, top winner in the junior high school division. Five hundred posters have been placed on display in windows of local stores.

500 Halloween Posters On Display, 26 Winners Named

Local stores and business firms are taking on an appropriately ghoulish aspect for Halloween, and 26 students are \$108 richer as a result.

Annual Halloween poster contest judging took place Monday night, and placing of 500 of the entries in store windows began Tuesday. All are expected to be displayed by this weekend, and the artworks will remain visible to the public through Halloween next Tuesday.

Top winners were Keith Zinn, 16, a Granite City high school junior, son of Mr. and Mrs. Dorsey Zinn, 2635 Center street, first place in the high school division; and Ronald Holland, a Coolidge, junior high school eighth grade student, son of Mr. and Mrs. Earl Holland, 2148 Robert street, first place in the junior high school division.

Prizes being awarded by the Associated Retailers and Civic Association, sponsor of the yearly event, are \$18 for first place in each of the two divisions, \$9 for each second place, \$4.50 for each third place and \$2.25 for each of the 20 honorable mentions — 10 high school and 10 junior high.

Yates, 2040 Harris street, Madison, are scheduled to complete four weeks individual combat training this week at the Second Infantry Training Regiment, Camp Pendleton, Calif.

Each marine receives combat training upon completion of recruit training to ensure his proficiency in the latest infantry tactics, scouting and patrolling, first aid, military explosives, defensive positions and crew-served weapons firing.

Bissell Street Accident
As the auto of Hilda James, 300 Weaver street, Venice, was backing up at Bissell street and Line alley at 4:30 p. m. Monday, it collided with the left rear door of the car of Robert A. Smith, 61, of 1337 Edwardsville road. Venice police were informed.

Tri-City Girl Scout Cookie Sale Begins

Hundreds of local Girl Scouts will be knocking on doors starting Saturday as the annual Tri-City Girl Scout fall cookie sale gets under way.

Seventy-four intermediate and senior troops will participate in the cookie sale, which opens with a kick-off program at 9:30 a. m. Saturday at the Washington theatre.

For all registered intermediate and senior troops and their leaders, co-leaders, troop committee members and parents, the program will consist of movies and final instructions for the cookie sale.

The Saturday meeting is scheduled to last until noon. The annual cookie sale will be delivered to the five neighborhood delivery stations Nov. 19 for distribution. Cookie sale proceeds enable troops to buy needed equipment and finance various projects.

Mrs. Deney Walton is general chairman of the fall sale, with neighborhood chairmen Mrs. John E. Lee, Mrs. Robert Joyce, Mrs. Norman Stotz, Mrs. Andrew Jenkins and Mrs. John Koester.

SENIOR CITIZENS program members make their own contribution to the current Tri-Cities United Fund campaign. During a recent meeting at the YMCA they packaged material, books, pamphlets and stickers being used in the drive, which has a goal of \$295,463 this year.

\$20,000 Rebuilding Permit Issued For Hundley Garage

A \$20,000 building permit has been issued to the Hundley auto agency, 1801 Madison avenue, for the construction of a new show room and service garage to replace the structure lost in a fire Sept. 4, 1960. The new building will measure 50'x72' feet.

In all there were 18 permits issued valued at \$48,368 according to City Building Inspector Earl Bloomquist. The totals for the month now stand at 47 permits with a value of \$116,645.

Other latest permits include four home improvement projects, three trailer installations, three additional commercial buildings for improvements, six garages or carports and one razing of a two-story dwelling.

The three other commercial permits were issued to Pyte & Wadlow, \$6000, for an addition to a laundromat at 3330 Name-oki road; \$1000 for remodeling of the Granite City township relief office building front, 1808 State street; and \$320 for alterations of the old First Granite City National Bank at Niedringhaus and Cleveland blvd.

Permits for installation of trailers were granted to James Johnson, 2219 Ohio avenue, for \$6000; for building a garage and

Wrong Age Given
The age of Nick Jakich, 2320 Woodlawn avenue, was incorrectly listed in Monday's issue. The Jakich boy, who was treated at St. Elizabeth Hospital last Friday for an injury received while playing football, is a student at Coolidge junior high school, and is 14. The Press-Record regrets the error.

Workshop Held Monday

YMCA's World Service Fund Drive Is Saturday

Directors, Tri-Hi-Y and Hi-Y members from five area YMCA's attended a "World Service" workshop Monday evening at the local YMCA, and heard an address at the conclusion of the program by John Custer, "Y" World Service program secretary in Greece since 1950.

The workshop served as a kickoff for the one-day fund-raising campaign which will be staged here Saturday.

At a dinner meeting, Custer told his audience it must first fully understand the purpose of the World Service program before attempting to raise funds.

One of the workshop sessions, conducted by Arthur Warren, Southern Illinois World Service board of directors, Youth delegates attended from the East St. Louis, Alton, Belleville, Edwardsville and Granite City YMCA's.

In other countries, the expansion and improvement of others, and the training of native teachers and program supervisors.

Custer related some of his experiences as director of a YMCA in Thessalonika, Greece. "It is gratifying to see that one of the boys writing better slogans on the walls of the 'Y' building in 1950 is now the program director there, and the success of the program in Turkey was reviewed in a film.

Custer said YMCA youth in North America raise about one-sixth of the money earmarked by the International YMCA for the World Service program, and that all World Service funds are raised in the United States and Canada.

General chairman of the workshop here was H. D. Karandjef, president of the YMCA board of directors. Youth delegates attended from the East St. Louis, Alton, Belleville, Edwardsville and Granite City YMCA's.

Belleville Man Fined For Reckless Driving

Fined \$105 and given a six months suspended jail sentence yesterday morning by Police Magistrate Gasparovic Jr. was Virgil W. Ladd, 35, of Belleville. He pleaded guilty to a charge of reckless driving filed by police Tuesday at 6:45 p.m. following an accident on 20th street near Delmar avenue.

Police said that Ladd was traveling east on 20th street when he struck a parked car from which Carol Fatwood, 37, of 2510 West 29th street, had alighted. No injuries were reported.

Hearing Set Nov. 3

A Nov. 3 hearing has been set for William G. Biggs, 38, of 1920 Johnson road, who pleaded innocent yesterday morning in police magistrate court to charges of drunkenness, creating a disturbance and using profane language. He was released on \$150 property bond.

Retail Employees Seek New Work Contracts Here

Negotiations for new contracts between Local 435 of the Retail Store Employees Union and local grocery, drug, furniture and bakery stores will begin next week. Miss Hetty Sheppard, union business agent, said Tuesday.

Miss Sheppard said the union's contracts with all the stores expired Oct. 1, but employees have been next week. The old agreements until new pacts have been ratified. She said new contracts will be retroactive to that date.

A new two-year contract between the union and the Associated Retailers and Civic Association was ratified Sept. 26, granting a 10-cent hourly pay boost each year to male employees with at least 18-months on the job, and a 5-cent hourly increase to women clerks.

The contract raised the wage scale from \$1.79 to \$1.89 per hour for the men and from \$1.56 to \$1.61 for female workers.

Others Not Settled

Agreements have yet to be reached between the union and the Association which do not belong to the Association.

Miss Sheppard said the chain food stores negotiate as a group, and a meeting is set for Oct. 31 at 10 a.m. at the YMCA with these representatives. A meeting with the furniture stores is set for Nov. 6, she said, and she expects negotiating sessions with the drug and bakery stores to be arranged soon.

Miss Sheppard said she anticipates no difficulties in reaching new contract agreements with any of the groups.

Three-Car Accident

Three autos southbound on Madison avenue collided at Wednesday afternoon in the rain Tuesday at 11:30 p.m. Police reported damage to the rear ends of cars driven by John C. Lank, 35, East St. Louis, and Lowell L. Minnet, 34, of 1243 Delmar avenue, and damage to the front of an auto driven by Donald W. Biggs, 30, of 3012 Denver street, who was charged with following too closely. He posted \$11 cash bond. No injuries were reported.

Cub Leader Training

Annual Cahokia Mound Boy Scout Council cub leaders' training "pow-wow" has been set for Saturday, Nov. 18 at the Eden Evangelical and Reformed Church, Edwardsville. Took Seed From Last Year's

GC Girl Raises Jack O' Lantern In Yard

With Halloween just around the proverbial corner, 10-year-old Paula Burgener, of 3406 N. Main, is busy with the task of raising a Jack-o'-lantern in her yard.

In fact, she began making preparations just after Oct. 31 last year.

With a promising eye for business, Paula, the daughter of Mr. and Mrs. Casper Burgener, decided last year to beat inflation and the rising cost of pumpkins by growing her own Jack-o'-lantern this year.

She saved seeds from a store-bought pumpkin last Halloween and right after Easter planted them in the back yard. From the 15 or 16 seeds placed in the ground, she got a total of one plant.

Vine Flowers

Under her careful nursing — she weeded and watered it regularly — the vine spread and blossomed promisingly. So on there appeared one tiny pumpkin. But no others.

The plant itself became a gigantic, spreading creature, covering a large section of the back yard. But still only one fruit.

When the scarce crop started to mature, Paula began to fear for its existence. She carried it to safety in the basement. With the approach of Halloween came the pumpkin's big chance. Paula carefully carved out a face, more friendly than ghastly, and removed the pumpkin's insides. He needed a name, she decided, so she called him Oscar.

PAULA BURGNER AND FRIEND, Oscar, the happy Jack-o'-lantern, who came from sturdy second generation Burgener pumpkin stock.

Grows Cheerfully

Now, Oscar is making the best of his big opportunity, and grows happily from the Burgeners' front porch to add a note of cheer to the dark, witch-delled nights. But Paula, a fourth-grader at

Namooki school, already is thinking ahead to next year. Oscar's seeds are carefully dried and tucked away, ready for planting come spring.

Says Paula, "Who knows, maybe next year I'll raise enough to sell."

William H. Cain, 69, Dies; Lengthy Illness

William H. Cain, 69, of 1609 P. M. Monday at Barnes Hospital, St. Louis, following a long illness.

Mr. Cain had been a patient at the hospital four weeks at the time of his death, and earlier this year was hospitalized for three months with arteriosclerosis.

A 10-year resident of Granite City, he was born at Hornbeak, Tenn. He was employed at Edwardsville until poor health forced his retirement.

Survivors are his wife, Mrs. Nettie Cain; two daughters, Mrs. George T. (Sylvia) Cook, Granite City, and Mrs. Herman (Othello) Matlock, Griffith, Ind.; three sons, Harmon of Temple, Tex., Morgan of Chicago, and Kelley Cain of Garfield, Calif.; three sisters, Mrs. Loxie Holt, St. Louis, Mrs. Georgia Todd, Union City, Tenn., and Mrs. Ellie Patton, Dyersburg, Tenn.; 19 grandchildren and 16 great-grandchildren.

Funeral services were held at 1 p. m. today at a Granite City funeral home, with interment in Sunset Hill Cemetery. An obituary is given elsewhere in this issue.

State Board Study Of Air Pollution In GC Sought

A study of the extent of air pollution in Granite City by the state board of public health is being sought as a possible means of determining the cause of discoloration of paint on a number of homes in the East Granite area on Oct. 18.

The action was taken during a meeting Monday night of the Public Works committee, whose members heard complaints from five persons whose homes were discolored overnight. City Atty. William Beatty was instructed to write to the state board asking for assistance.

Presided over by Alderman Samuel Whitmer, the committee heard complaints by Harold Lantz, 2400 Namooki road; Edw. P. Ruvich, 2402 Namooki road; Arvel Mitchell, 2718 East 24th street; Andrew Rydzik, 1544 Joy avenue, and Alderman Casmer Skubish, 2701 Lincoln avenue.

The complainants pointed out that during times of heavy atmospheric conditions, fumes in the area were intense and could be injurious to health as well as causing damage to paint on houses. They approved the committee's action. They said the fumes were apparently from industrial sources and that they had been told by paint firm representatives the discoloration was due to the presence of sulfuric acid.

Skubish pointed out during a similar incident several years ago, officials of Granite City Steel Co. were called in and a survey was conducted which did not pinpoint the cause. That report also showed a sulphuric acid content in the air, Skubish said. An undetermined number of homes sustained paint discoloration on Oct. 18, Skubish added.

saying the white paint trim on his single house was discolored. He said the Lorentz home was white frame and was almost completely discolored with a brownish hue. "It seems to be centered in the East Granite area, but last week extended as far as the 2700 block of Washington avenue and to Mr. Rydzik's home on Joy avenue. It doesn't seem to happen in other sections of town," the alderman told the committee.

Alderman Mrs. Gabrielle Bettenc, a member of the committee, said she was returning home from a trip about 1 a. m. on Oct. 8 and noticed dense smoke in the vicinity of the Blast Furnace department of the steel plant.

Other Committee Meetings

Also meeting in separate sessions Monday night were the Personnel and Finance committees.

The personnel group continued interviews with applicants for the city engineer post and also conferred with officials of Painters Local 120 seeking employment of members of the union on the city street department. They were referred to the Public Works committee.

The Finance committee conducted only a brief session, meeting with a resident of the 1300 block of Ash avenue whose basement was damaged in a sewer backup during a heavy rain last Aug. 10. Mrs. J. J. Harpen, 3137 Ash avenue, was asked to submit a bill giving the amount of the damage, and was told the committee would give the matter further consideration.

Alderman Paul Rutledge, chairman of the Finance committee, said there was no discussion of the city's financial condition.

ORCHID LOUNGE — PIZZAS

Fined \$70 Tuesday

Police received a call at 11:35 p. m. Monday that a man was causing a disturbance at a tavern in the 1800 block of Delmar avenue. Charged with creating a disturbance and carrying a concealed weapon — a blank pistol — was Marion Corbett, 23, of 2807 Kirkpatrick homes. He pleaded guilty Tuesday morning and was fined \$70 including costs by Police Magistrate Gasparovic.

Edward Epping, Hodge Aid, To Get Rehearing

Edward A. Epping, who was office manager for former state auditor Orville Hodge, has been granted a rehearing on his plea for parole by the Illinois Parole and Pardon Board on Nov. 2.

Epping, now serving a 1-to-10 year sentence at Menard for larceny, confidence game and embezzlement for his part in the Hodge scandal, was denied a request for parole last May. He was sentenced in 1956.

Registration For CD Survival Course Continues

Registration is continuing for the "Basic Civil Defense" course to be offered to Granite City by the CD organization, starting Nov. 8.

The 10-hour course, featuring individual and family survival, will be conducted in five two-hour sessions at the CD headquarters, located in the old downtown fire hall on 18th street between State street and Grand avenue.

CD Director George Schumacher said registration is being handled each evening from 7 to 9 o'clock in the CD headquarters and from 9 a.m. to 4 p.m. on Mondays and Thursdays. He is urging representation from PTA and service club groups.

"Casualties from nuclear attack can be greatly reduced and personal chances of survival increased by 80% through advance preparations," Director Schumacher said.

The five two-hour sessions will be held on Wednesdays at 7:30 p.m. except for the Wednesday preceding Thanksgiving Day.

In addition, the local CD group is planning a standard 10-hour Red Cross first aid course to be taught at the CD building each Monday evening starting Nov. 6, provided there is sufficient enrollment. Registration is being handled during the same hours as for the CD course.

"Members of the local CD organization are frequently requested to serve as speakers for PTA, social and service club meetings," Schumacher said. Requests may be filed by calling Victor Koenig or Mrs. Valerie Evenden. "All time given in this speaking service and teaching is voluntary," the director pointed out.

NEW COURTROOM for District Justice of the Peace Harry Hartman (right) and Clerk Jo Ann Fuller is located in the Lorry Building, 1920 Edison avenue. Hartman finds himself without a phone and subsidizing his clerk's salary and the office rent.

51-Year Lease For Madison Fire Station

The Madison volunteer fire company has decided to retain ownership of the Firemen's Hall building despite transfer of usage to the city of Madison. Fire Chief and City Controller E. J. Miller announced this week.

It was initially announced that the brick building at 1527 Third street would be decided to the city to enable it to expend the city funds on remodeling work. However, it has now been decided to establish a long-term lease at \$1 a year, Miller said. The lease has not yet been prepared and acted upon, nor has its duration been determined.

Reason for the change in plans is to enable the fire company to continue using the hall as collateral for mortgages obtained in various financing plans, Miller said. Such arrangements have enabled the city to avoid the cost of holding bond issue elections on many occasions, he added.

Examples cited are the Madison public library on Fifth street and the city garage on Third street, both of which were built by the fire company. Loans were secured by the company using the Firemen's Hall as collateral, and the city acquired ownership of the garage by making regular payments to the fire company as it paid off the mortgage. The city is still paying \$100 a month on the library, Miller added.

Playgrounds at Third street and Highland avenue and at 12th street and Washington avenue also were obtained for transfer to the city.

Although deed transfers were included in the garage and library planning, transfer of ownership will not be carried out on the Firemen's Hall because it is the basic factor in the fire company's cooperative financial arrangements, the chief explained.

Rebuilding of the city hall and adjacent fire hall is being carried out this year with Chain of Rocks Bridge funds. The fire station was moved out of the city hall into quarters formerly leased by the fire company for use as a theater. The police department moved into the former police location, and other city offices are taking over the former police space.

Look for this ADEQUATE WIRING SEAL when you build or buy

Your assurance of better living . . . electrically.

Often "hidden" construction details can make the difference between a good and a not-so-good home buy. The trick is to know what to look for. One indication of the quality of your new home is the quality of the wiring. This Certified Adequate Wiring Seal is awarded only to the home that is wired for modern living. You'll have plenty of circuits . . . plenty of convenience outlets and 220-volt circuits for major appliances. Distorted TV pictures, "slow-poke" toasters and blown fuses are things of the past in a home that bears the Adequate Wiring Seal.

P.S.—Call the Adequate Wiring Bureau to find out if your present home qualifies for the Certified Adequate Wiring Seal.

Mrs. Cionko's Father Succumbs At Age 71

Edward M. Moore, East St. Louis, father of Mrs. John (Dolores Jean) Cionko, 2901 Madison avenue, died at 1 p.m. Tuesday at Christian Welfare Hospital, East St. Louis, at the age of 71. He had been ill since August.

Born in Shawneetown, Mr. Moore had been an East St. Louis resident since 1918. He was a member of the State Street Assembly of God Church there, where he had served as deacon of the board, Sunday school teacher and head usher. Survivors, in addition to Mrs. Cionko, are his wife, Alma, and two other daughters, three sons, two sisters, a brother, 10 grandchildren and three great-grandchildren.

Funeral arrangements are given in today's obituary column.

Central Jr. High PTA To Organize Tonight

An organizational meeting will be held this evening at 7:30 in the auditorium of Central Junior High school to reorganize a PTA unit.

Mrs. Kathleen Tudlock, area PTA council president, will open the meeting and reside until new officers are elected. She will explain the value of having a PTA unit for seventh and eighth grade students, and will introduce Robert J. Davis, school principal.

Speakers on the program will be Dr. Harold M. Kaiser, superintendent of schools, and Mrs.

Auto Trophy Displayed

A trophy won by Derby's Auto club for its entry in the modified street coupe class of a fall auto show has been displayed this week at Berger's Auto Supply club sponsor, and will be placed on display next week at the First Granite City National Bank.

Eighteen members spent their spare time for six months modifying the auto which captured the first-place trophy.

Marvin Roberts of Alhambra, director of PTA District 29. All parents and teachers of Central school are being invited to attend.

\$5 Fine For Illegal Transportation Of Alcohol

Arrested at 21st street and Delmar avenue yesterday at 4:30 a. m. were Leslie H. Holik, 38, of 1638 Cleveland blvd., and Dorothy Tison, 27, of 2325 Center street.
